There are 3 floors where all the spaces of the house are distributed. On the ground floor is the kitchen, TV room, dining room, fireplace area and library. On the same floor is the central patio with a garden area and a fountain so that guests can enjoy it. There are 3 bedrooms and 2 bathrooms. There is a ping pong table and football table area. On the first floor there are 4 bedrooms with 4 bathrooms, a large terrace with barbecue and the special pool with a glass bottom (which overlooks the patio below and provides natural light as well as being a unique element).

On the second floor there are 2 bedrooms with 2 bathrooms and a kitchen.

In total there are **9 bedrooms** and 8 bathrooms.
