This beautiful mansion from 1912, full of charm, is located in a quiet area, with a southern exposure and a breathtaking view of the Gorges du Loup and its valley.

It is currently a hotel restaurant but could also accommodate a large family, with or without guest house activity.

The property of approximately 500m2 of living space is organized on two levels with a dining room and large kitchen on the ground floor, and 15 bedrooms with individual shower rooms upstairs, including a private apartment. On the land of approximately 1500m2, you will find a huge furnished terrace with the possibility to build a swimming pool and not overlooked, as well as a private parking space at the top of the land.

The building is well maintained with double glazing, temperate cellar, renovated boiler and compliant mains drainage connection.

Ideal location, a few kilometers from the airport, Nice or Cannes and close to restaurants, shops, sports facilities and entertainment available in the surrounding area St Paul de Vence... A real corner of paradise with lots of character!

EXPANSION Possible (we are also looking if extra plot next door can be bought)
