Lovely BB / Gîte for sale in Centre-Val de Loire, in the heart of France (Jars, Cher). Located on the route of holidaymakers coming from Belgium, Germany or even Switzerland to the Atlantic coast.

An excellent geographical location with preserved countryside where calm and relaxation reign. Extremely rare spa area for total relaxation.

The 200m<sup>2</sup> property has 5 bedrooms on a fully enclosed plot of 2000m<sup>2</sup>, not overlooked, 5 minutes from the first shops including the baker.

The fifth guest room is the very last independent construction completed at the start of the year, an intimate space overlooking the garden including a large air-conditioned bedroom, a toilet and a shower room.
